Patterns Part-3

Pattern 1

```
n = 5

*
*    *
*    *    *
*    *    *    *
*    *    *    *    *
*    *    *    *
*    *    *
*    *
*
```

Pattern 2

```
n = 5

                            *
                      *     *
                *     *     *
          *     *     *     *
    *     *     *     *     *
          *     *     *     *
                *     *     *
                      *     *
                            *
```
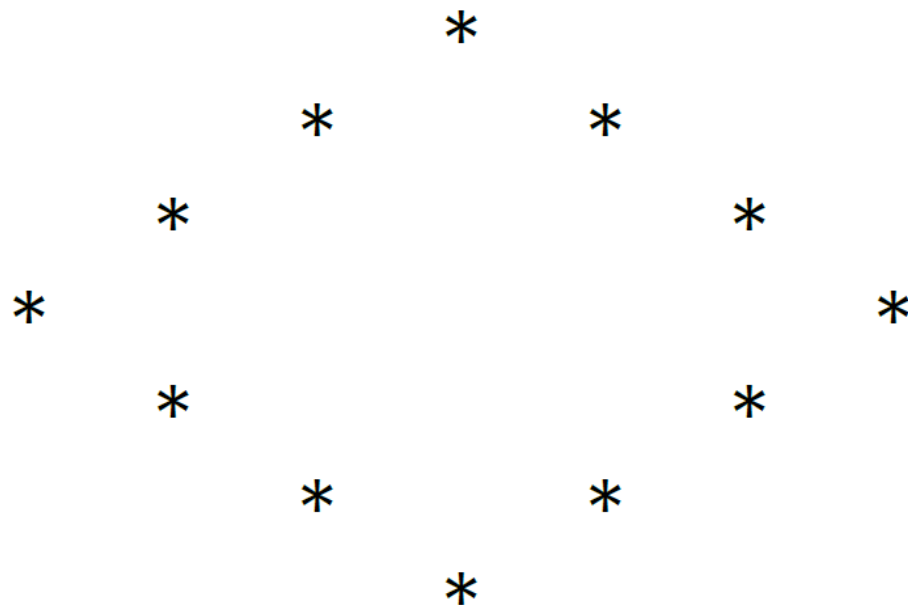

Pattern 3

```
n  =  7

                         *
              *                     *
         *                               *
    *                                          *
         *                               *
              *                     *
                         *
```

Pattern 4

```
n = 5

*                                   *
*     *                       *     *
*     *     *           *     *     *
*     *     *     *     *     *     *     *
*     *     *     *     *     *     *     *     *
```

Pattern 5

```
n = 5

*   *   *   *   *   *   *   *   *

*   *   *   *       *   *   *   *

*   *   *               *   *   *

*   *                       *   *

*                               *
```
